

# A T O P Y CONSULT™

From Experts on Animal Dermatology

Now you *both*  
have something  
to smile about.

 GREER®

## Introducing the virtual dermatology consultant for veterinary practices.

**A T O P Y  
CONSULT™**  
From Experts on Animal Dermatology

Get answers from the animal dermatology experts online.

Go to [www.atopyconsult.com](http://www.atopyconsult.com) and connect to renowned dermatologists who can offer advice, insights and training to help you incorporate the management of allergies into your practice.

Visit the site, when and where you want, to follow a typical atopic dermatitis case from diagnosis through treatment.

Get valuable tools you can incorporate into your practice, right now.

You can even submit questions to help shape future updates to this vital resource.
