## The Extract Experts

For confidence in your testing

and treatment extracts,  
come to the source:

GREER<sup>®</sup>. The company was

built on its passion for

extracts. Now, more than

100 years later, we continue

to improve our processes, our

extract offerings, and our listening

skills to provide allergy immunotherapy

solutions to help build your allergy practice.

## Unmatched in the Industry

- Broad and reliable selection of allergens
- Wide selection of formulations and sizes
- Mobile pollen collection laboratory
- In-house mite- and mold-cultivation facilities
- More than 98% of stocked products shipped the same or next business day

**In Touch. Within Reach.<sup>™</sup>**

## GREER TOUCHPOINT #31

“Extracts are an important part of my practice.  
I need to trust the quality.”

## A Focus on Excellence

- Rigorous processes—from collection/cultivation through final shipment
- Meets all federal safety and quality standards
- Every vial double-checked by GREER® employees

## Responsive GREER Team

- Knowledgeable Allergy Sales Consultants to respond to your practice needs
- Expert Scientific Information team for allergy immunotherapy consultations
- Dedicated Customer Care Specialists for second-to-none service
